# MEET THE TEAM

*Samantha*  
*owner*

Hi i'm Samantha, Owner of Hermanas Cafe.

My favorite drink right now is a cantaloupe, white peach, & raspberry Red Bull. The most embarrassing moment i've had so far is forgetting that I was steaming milk and decided to give myself and the espresso machine a milk shower while talking to a customer. (Can't talk and steam at the same time i guess haha). My favorite part about owning the coffee truck is that I put all my heart and soul into it, that it's super rewarding to serve our community and build a team of amazing people who feel like family. What I like to do for fun is clean. I might have OCD but who knows, but definitely spending time with my little family is what I enjoy the most. My interesting fact is that I named my son after Alek Thomas from the Diamondbacks because he is my favorite player.

(aka Tommy)  
co-owner*

Hi There, I'm Tommy, co-owner of Hermanas Cafe. I witnessed the Big Bang of Hermanas Cafe so i've been working here since it first started. My favorite drink is a 12oz Hot Caramel Brûlée w/ Honey & 3 Shots. My Most embarrassing moment is when it took me 100 attempts to back up the trailer in an open field. My favorite part about working here is being able to work with my wife as a form of community service(lol jk) but most of all seeing her dreams come true. What i like to do for fun, is take my kids on walks or go to D-Backs games throughout the summer with my wife. My interesting fact is when I was younger, an MLB player gave me a nickname, T-Rock.

*Sara  
Manager*

Hi, my name is Sara.

I started working with my sister since the very beginning. My favorite drink is the Abuelita Mexican Mocha Iced with SF vanilla cold foam! My embarrassing moment was when a customer mispronounces a word and I repeat after them.

My favorite part about working here is seeing our loyal customers that keep on coming back and that tells us we are doing something right! What I like to do for fun is binge watching BONES. My interesting fact about myself is that I'm a 9/11 baby! I was in kindergarten at west school when that tragic accident happened.

*Mari  
Barista*

Hi My name is Mari, some of you guys know me, so HAYYYY!!  
I've been working with my cousins maybe about 1 1/2 years now. My favorite drink is a Iced Caramel Shaken Espresso . My embarrassing moment was when we were really busy and didn't realize the window wasn't opened all the way and I accidentally slammed one of the drinks on the window and it spilled all over the inside of the trailer. There was a whole line of customers and I felt like such a dummy. My favorite part about working here is that it doesn't feel like a job. I get to spend time with great people and have fun but also engage with the community and build friendships. What I like to do for fun is go out to the dessert with my family.  
My interesting fact is that I may look very social but I have the worst social anxiety **EVER**.

*Jesse  
tata*

Hi, I'm Tata Jesse.

I have been with Hermanas Cafe since the beginning, I went to Dallas, Texas to pick up the trailer. My favorite thing about being a part of Hermanas Cafe is maintaining the equipment on the trailer. I enjoy riding my quad in the desert when I'm not doing things around the house or working on a project.

One thing about me is that I enjoy talking to people.
